

A WALK IN THE CEMETERY

Your family enjoys walking in the historic Glendale Cemetery. It is the oldest cemetery in Akron which was established in 1839. Simon Perkins, the son of Akron's founder is buried here. The Glendale Civil War Memorial Chapel is one of the country's most prominent Civil War memorials. <http://cleveland.about.com/od/akronattractions/pl/glendalecem.htm>

1) Dad wants to see if you and your mom can follow directions. He gives you the map below and says, "The bell tower (B) is the origin (0, 0) and mausoleum one (M1) is at (3, 1). I will meet you and your mom at (2,-4) in fifteen minutes." Where will you and your mom meet your dad?

2) You found your dad! Now you and your mom want to challenge your dad. You tell your dad, "Use the same map only this time the mausoleum one (M1) is the origin (0, 0) and the Gun (G) is at (-1,-5). You will find mom and me at (-3,-3) in fifteen minutes." Where will your dad find you and your mom? (**Hint:** you will have to draw a new x and y axis going crossing at the origin.)
