

Answer

Clue #1: Since the Smith's complained that they do not like fruit on their pizza, that means they received the Hawaiian Pizza. So give them the Hawaiian Pizza and cross that pizza off the other family's possibilities.

Clue #2: The Martin's want more than just pepperoni. So that tells us they received the pepperoni pizza. Cross it off the choices for the other families.

Clue #3: Since the Jones' do not like sausage or green peppers, you can assume the pizza they received had both. The only kind with both is the supreme. So give them the supreme and cross off the other kinds.

Clue #4: Since the Reed's like at least some meat on their pizza, that means the one they received didn't have any. Therefore they have the veggie lovers. That leaves the King family with the meat lovers.

	Pepperoni	Veggie Lovers	Supreme	Meat Lovers	Hawaiian
Smith	X	X	X	X	O
Jones	X	X	O	X	X
Martin	O	X	X	X	X
King	X	X	X	O	X
